

Art from the Heart is the newest venture from **Stumptown Art Studio**, making art activities accessible for people of all abilities throughout our community. The recently acquired **Van Gogh Art Mobile** is making these outreach opportunities possible.

Donations and fundraising events provide the funds for **Stumptown Art Studio** to continually offer enriching art experiences to people with disabilities and to those who would otherwise never have the chance to learn about and explore the world of art. Visual arts help to develop awareness of a person's significance in their world and their community. Creative expression fosters personal growth.

Outreach Art Programs already in place with neighboring organizations include The Flathead Youth Home, Special Friends Advocacy, Flathead Industries, The Veteran's Home, and area Senior Centers.

To become a proud sponsor for this program and donate to **Art from the Heart**, or to have the "**Van Gogh**" visit you in your area, please contact **Stumptown Art Studio**
